12. COMING INTO MY YEARS

(See additional verses, number 63)
I'm a grey haired woman and I'm
coming into my years.

I'm a weathered woman and I'm
coming into my years.

No more holding back,
No more trying to please.

I've got the will and the power
To get off my knees.

I'm an aging woman and I'm
coming into my years.

I'm a streetwise woman and I'm
coming into my pride.

I'm a fight back woman and I'm
coming into my pride.

No more shrinking with fear
When they whistle and jeer.

I got a fist that's hard and a
mind that's clear.

I'm a nightwalk woman and I'm
coming into my pride.

I'm a loudmouth woman and I'm
coming into my voice.
I'm a talk back woman and I'm
coming into my voice.
There's an ocean of words that
got caught in my throat

I'm gonna let loose the waters
Gonna learn how to float.
I'm a sing out woman and I'm
coming into my voice.

I'm an angry woman and I'm
coming into my strength.
I'm a make change woman and I'm
coming into my strength.
I won't save the world,
I won't drain my song.
But I'll fight any battle
That'll move us along.
I'm a far sighted woman and I'm
coming into my strength.

I'm a loving woman and I'm
coming into my own.
I'm a heartbeat woman and I'm
coming into my own.
I'll go for passion,
I'll go for strength.
I'll go for the moment and
I'll go for the length.
I'm a give-take woman and I'm
Coming into my own.

13. GODDESS OF LIFE

Goddess of life, please speak through
me
For your world is bloodied and torn
There'll be a full moon rising on the
ruins of our dreams
If your life force is not soon reborn.

In ages gone by
We were fed by the moon,
and our strong hearts
Filled the world with love.
We had power and laughter,
And music in the sky,
Dancing in your pale light from above.

But they came with their one god the
Father and the son,

And they shamed our priestesses
with thorns.
And we bled and we're bleeding and
our power is drained,
Lost in the crashing of their swords.

FIRST CHORUS

And now in this time, we gather again,
And our open hearts
fill the world with truth,
With a vision of power that makes
each other whole,
Circling and spiralling the Earth.
© Silver Frith. Printed w/ Permission.

SECOND CHORUS

Goddess of life, you speak through me
Though our world is bloodied and torn
There is a full moon rising on
The birthing of our dreams
As your life force is this night reborn.

And you can't just take my dream
away, Without me fighting.

This old mountain raised by many
daughters,

Some died young, some still living.
If-a you come here for to take-a
this mountain,
Well we ain't come here to give it.

Since first I was my mothers

57. TEMPTATION

(tune: "This little light of mine")
 The temptation comes upon me
 To be the little me,
 To give up all my hopes and
 dreams of who I want to be.
 The temptation gathers round me
 To live my living lie,
 To live within the prisons
 I have built within my mind.

CHORUS:

Then a voice calls out within me,
 "Get up, take up your bed.
 Rise above your problems,
 And walk as I have said.
 I led you then, I'll lead you now,
 And you will make it through
 somehow,
 One step at a time,
 One day you'll find that you are
 there." (2X)

The temptation seems to bind me
 When I'm sometimes unaware,
 And I'm far too weak to struggle,
 When I'm just too weak to care.
 I am tempted on occasion
 To lay my faith aside,
 To huddle in the darkness
 Where I tremble as I hide.

CHORUS

Temptation has no power
 But the power that I give.
 I should rather use my power
 To love and laugh and live.
 So whenever I am tempted
 To be less than I can be,
 Let me listen in the quiet
 For the voice inside of me.

CHORUS

62. THE WITCH SONG

CHORUS: Who were the witches,
where did they come from?
Maybe your great, great,
grandmother was one.
Witches were wise,
wise women, they say.
And there's a little witch
in every woman today.

Witches knew all about flowers
and weeds.
How to use all the roots, the leaves
and the seeds.
When people grew weary
from hard working days.
They made them feel better
in so many ways

CHORUS

When women had babies,
the witches were there,
To hold them and help them
and give them care.

Witches knew stories of
how life began.
Don't you wish you could be one?
Well maybe you can!
CHORUS

Some people thought that
the witches were bad.
Some people were scared
of the power they had.
Power to help and to heal
and to care
Isn't something to fear,
it's a treasure to share!

CHORUS

63. COMING INTO MY YEARS

(Continued from song #12. These
verses were written at a voice work-
shop with Betsey Rose)

I'm a country woman
coming back to my roots
I'm an earth born woman
coming back to my roots
I'm digging deep breathing slow
Planting my seed and
watchin' them grow
I'm a grounded woman
coming back to my roots.

I'm a fun-loving woman
coming into my joy
I'm a light-hearted woman
coming into my joy
The weight of the world
is off my shoulder

I'm betting lighter as I'm
getting older
I'm a laugh-aloud woman
coming into my joy.

I'm a deep-feeling woman and
I'm coming into my power
I'm a respect-myself woman and
I'm coming into my power
Well my guts aren't pretty and
my guts aren't nice
But they hold my strength and
won't be sacrificed
I'm a gut-feeling woman and
I'm coming into my power.
I'm a self-starting woman and
I'm coming into my life.
I'm an independent woman and
I'm coming into my life.
Honey, makin' love with you
is so very fine
I got a bed that is soft,
just remember that it's mine.
I'm a self-lovin woman and
I'm coming into my life.

64. FUR, FEATHER, SCALE AND SKIN

**Invoking
Goddess and
God**

She is radiant,
She is bright.
She is shining,
crowned with
light.

He is radiant,
He is bright.
He is shining,
He takes flight.

Weave Your Circle	In Her Peace	Spiraling into the Center	Come Earth	A River of Birds	She Comes	Tall Trees
Lady, weave your circle tight, Spin a web of glowing light, Earth and air and fire and water, Bind us to you.	In Her Peace, in Her peace In Her wisdom, find release. I am Goddess, I am Goddess.	Spiraling into the center, the center of our soul (2x) We are the weavers, We are the woven ones, We are the dreamers, We are the dream.	Come earth, Come air, Come fire, Come water. (3x) Bring us the power to heal!	There's a river of birds in migration, A nation of women with wings.	She comes on a wave, From the cauldron of ocean. Swept to the shore, Transformed once more.	Tall trees, Warm fires, Strong winds, Deep waters, I feel it in my body, I feel it in my soul.
